

Pallas Projects/Studios – Project Space Hire

Submission guidelines

Submissions guidelines are now available for artists/groups who are interested in proposing artist-initiated projects, exhibitions, events or performances in the new PP/S project space. Submissions are ongoing from April–September, currently taking proposals from May 2013 onwards.

We are seeking proposals from creative, motivated and professionally minded groups and individuals, who are based in Dublin, or can be based in Dublin for the duration of use*. Participants are welcome to experiment with presenting their work in the context of an established gallery space with a dedicated tradition towards do-it-yourself initiatives and the professional development of emerging artists. PP/S are committed to accessibility, with very competitive rates for artists. All projects are self-directed and individuals/groups will be largely responsible for publicity and invigilation, though PP/S will also promote the programme via web, mailout, and social media.

The space can also be hired out weekly to use as additional very-large-scale studio space ahead of exhibitions and offsite projects, and for other arts areas, such as film, photography, theatre, for readings/rehearsals/auditions/shoots, etc. (please contact us for further info).

Rental rates*: €250 p/w for individuals
 €400 p/w for small groups
 (Larger groups please contact us)

Discounted rate for PP/S studio artists/groups:

€180/300 p/w

*For visual arts projects. Please contact us for rates for other uses.

*The space is ideally suited to artists/groups who are based in Dublin, or can be based in Dublin for the duration of their project. *Overseas submissions* are only recommended as part of a period of engagement which sees artists based in Dublin for a period running up to and during a project, ie. a residency.

Applicants should fill in the accompanying application form, and return to info@pallasprojects.org with the subject line: 'Project Space Submissions', including the following:
